Brief History of the Oro Grande School System

Yesterday and Today

The school system of Oro Grande can be traced back to 1883, at which time the first school building was erected on the Atwood Homestead, the present site of the Osborne Tank and Supply Co. This one-teacher school, with an enrollment of seven pupils, was replaced in 1890 by a newer structure.

One of the few remaining landmarks in the Mojave River Valley from the days when mining was the principal occupation is the second school building which was built in 1890 to replace the original building. Mr. Newton Morrow father of Oro Grande's famous R. V. "Penny" Morrow and J. P. Jones were instrumental in getting this building constructed. This frame schoolhouse was in use for classes until about 1923 when it was replaced by the third school building - a modern, stucco structure. Consisting of two rooms, this \$312,000.00 schoolhouse was financed by a loan acquired through the efforts of "Penny" Morrow who served as School Trustee during this time.

The continued growth of the community led to construction of the present, modern, steel and concrete structure. The first seven rooms of this new unit were built in 1947; subsequent additions in 1952 and 1957 have completed the present plant which includes eight classrooms, a multi-purpose room, a fully equipped library- audio-visual room, and a centrally located office unit, as well as facilities for serving state-approved "Class A" hot lunches. With an enrollment of about 200 pupils, eight teachers and a principal, the 1/4 million dollar school building continues to serve the pupils of Oro Grande from its beginnings in 1883. Moved from its original site and its belfrey removed, the second schoolhouse still stands as a landmark in Oro Grande.

The third schoolhouse building was completely remodeled and placed into use as a Community Center when the new, larger school building was completed. Extracts from some of the early registers reveal the following bits of philosophy pertaining to teachers and pupils.

EXHORTATIONS TO TEACHERS (1883) "Teachers will.... ..endeavor to make themselves acquainted with parents and guardians to better understand the temperaments, characteristics, and wants of the children."

"...make daily examinations of the lessons of their various classes and make such special preparation upon them, if necessary, as not to be constantly confined to the textbook, and instruct all their pupils, without partiality, with those branches of school studies which their various classes may be pursuing, and to strive to impress on their

minds, both by precepts and example, the great importance of continued efforts for improvement in morals and manners, and deportment, as well as useful learning."

"...only use the text-book for occasional reference, and should not permit it to be taken to the recitation to be referred to by the pupils except in cases of such exercises as absolutely require it."

"...at all times exhibit proper animation themselves, manifesting a lively interest in the subject taught; avoid all heavy, plodding movements, all formal routine in teaching, lest the pupil be dull and drowsy, and imbibe the notion that he studies only to recite."

EXHORTATIONS TO PUPILS (1883) "Pupils shall be instructed in the proper respect for thrift and saving. Each pupil shall be urged to ponder the following: The centimes of the peasants of France were a potent factor in furnishing the money needed so much in the early days of the war before aid came from other sources. Before the war, France had a greater per capita in savings accounts than any other country.

'Charge it,' 'Your Credit is Good,' 'A Dollar Down, and a Dollar a week' are financial pitfalls which the youth of America should early learn to avoid. This suggestion of a pledge to be given by pupils is offered for your consideration:

I solemnly promise to live up to the following: I will not buy what I do not need. I will save some part of my earnings. I will not waste or wantonly destroy either my own or the property of the State.

The Oro Grande School District today serves over 4000 students in 3 counties from Bakersfield, California to Palm Springs, California. The TK-12, seat time program of Riverside Preparatory School, based in Oro Grande, California, accommodates over 2500 students from all local area communities in the Victor Valley and Barstow. The TK-12, independent study program of Mojave River Academy serves students in Kern, San Bernardino, and Riverside Counties.

The Vision of the Oro Grande School District is that the district will be the state's premier Charter School educational opportunity for Transitional Kindergarten through post 12th grade students wanting a unique world class learning experience.

The Mission of the Oro Grande School District is as such: The Oro Grande School District empowers students and their families through extraordinary educational choice, excellence in education, a safe environment to learn, rigor in all endeavors, and high expectations.

A manager's exemption status determines whether he/she receives a salary or hourly wage. A manager can be an exempt or nonexempt employee. A nonexempt manager receives an hourly wage and must be paid for each hour worked during the week, including overtime.

Job Duties

The Fair Labor Standards Act determines what job duties a manager must perform to be considered exempt or nonexempt and receive a salary versus an hourly wage. According to the act, to be considered exempt, the job duties of an administrative level manager must be "directly related to management or general business operations." In other words, the employee must perform general managerial activities such as hiring, employee discipline and quality control. Managers whose duties are not of an executive, administrative or professional nature are considered nonexempt and receive an hourly wage.

The length of unpaid leave an employee may take is limited to 12 weeks provided for in the federal Family and Medical Leave Act of 1993 for eligible employees.

Family and Medical Leave Act (FMLA)

California's California Family Rights Act (CFRA) and the federal Family and Medical Leave Act (FMLA) provide up to 12 workweeks of unpaid family/medical leave within a 12-month period, under the following conditions:

- You have been employed with the Oro Grande School District for a total of at least 12 months prior to the commencement of leave. The 12 months of employment must have accumulated within the previous seven years (certain exceptions apply);
- You have worked at least 1,250 hours during the previous 12-month period before the need for leave*; and
- You are employed at a work site where there are 50 or more employees within a 75-mile radius.

*Special hours of service eligibility requirements apply to airline flight crew employees.

Leave may be taken for one or more of the following reasons:

- The birth of your child, or placement of a child with you for adoption or foster care (FMLA/CFRA);
- Incapacity due to pregnancy, prenatal medical care or child birth (FMLA only);
- Your serious health condition that makes you unable to perform your job (FMLA/CFRA);
- To care for your spouse, child or parent who has a serious health condition (FMLA/CFRA);
- To care for your registered domestic partner (CFRA only).

For additional information about eligibility for family/medical leave, contact Director of Administrative Services.

Military Family Leave Entitlements

- Eligible employees whose spouse, son, daughter or parent is on covered active duty or call to covered active duty status may use their 12-week leave entitlement for certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and

attending post-deployment reintegration briefings.

- Eligible employees may also take a special leave entitlement of up to 26 weeks of leave during a single 12-month period to care for a covered servicemember. (FMLA/CFRA for 12 weeks if the care provider is eligible for both, followed by 14 weeks of (FMLA only), or 26 weeks of FMLA only if leave is not CFRA covered leave). A covered servicemember is either:
 - A current member of the Armed forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness*; or
 - A veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran, and who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness.*

*The FMLA definitions of "serious injury or illness" for current servicemembers and veterans are different from the FMLA definition of "serious health condition."

Calculating the 12-month Period

For purposes of calculating the 12-month period during which 12 weeks of family and medical leave or qualifying exigency leaves may be taken, Oro Grande School District uses The 12-month period measured forward from the date an employee first took family leave..

Under most circumstances, leave under federal and state law will run at the same time and an eligible employee will be entitled to a total of 12 weeks of family and medical leave in the designated 12-month period.

For leave to care for a covered servicemember, the 12-month period begins on the first day of the leave, regardless of how the 12-month period is calculated for other leaves. Leave to care for a covered servicemember is for a maximum of 26 workweeks during a 12-month period.

Pregnancy, Childbirth or Related Conditions and Baby Bonding

Leave because of a disability for pregnancy, childbirth or related medical condition is not counted as time used under California law (CFRA). However, time off because of pregnancy disability, childbirth or related medical condition does count as family and medical leave under federal law (FMLA). Employees who take time off for pregnancy disability and who are eligible for FMLA will be placed on FMLA that runs at the same time as their pregnancy disability leave (PDL).

Once the pregnant employee is no longer disabled, or once the employee has exhausted PDL and has given birth, the employee may apply for leave under the CFRA, for purposes of baby bonding.*

Any leave taken for the birth, adoption, or foster care placement of a child does not have to be taken in one continuous period of time. CFRA leave taken for the birth or placement of a child will be granted in minimum amounts of two weeks. However, the Oro Grande School District will grant a request for a CFRA leave (for birth/placement of a child) of less than two weeks' duration on any two occasions. The Oro Grande School District may also grant additional requests for leave lasting less than two weeks at its discretion. Any leave taken must be concluded within one year of the birth or placement of the child with the employee.

*If you are not eligible for baby bonding leave because you work at a worksite with less than 50 employees in a 75-mile radius, you may be eligible for time off to bond with a new child under the New Parent Leave Act (if you meet the eligibility requirements under this law). For more information, contact Director of Administrative Services.

Leave Procedures

The following procedures shall apply when an employee requests family medical leave:

- Please contact Director of Administrative Services as soon as you realize the need for family/medical leave. If the leave is based on the expected birth, placement for adoption or foster care, or planned medical treatment for your serious health condition or that of a family member, you must notify the Oro Grande School District at least 30 days before leave is to begin. You must consult with your supervisor regarding scheduling of any planned medical treatment or supervision in order to minimize disruption to the operations of the Oro Grande School District. Any such scheduling is subject to the approval of your health care provider or the health care provider of your child, parent, or spouse.

- If you cannot provide 30 days' notice, the Oro Grande School District must be informed as soon as is practical.
- If the FMLA/CFRA request is made because of your own serious health condition, the Oro Grande School District may require, at its expense, a second opinion from a health care provider that the Oro Grande School District chooses. The health care provider designated to give a second opinion will not be one who is employed on a regular basis by the Oro Grande School District.
- If the second opinion differs from the first opinion, the Oro Grande School District may require you, at the Oro Grande School District's expense, to obtain the opinion of a third health care provider designated or approved jointly by you and the employer. The opinion of the third health care provider shall be considered final and binding on you and the Oro Grande School District.

Certification

Oro Grande School District requires you to provide certification. You will have 15 calendar days from the Oro Grande School District's request for certification to provide it to the Oro Grande School District, unless it is not practicable to do so. The Oro Grande School District may require recertification from the health care provider if you request additional leave upon expiration of the time period in the original certification. (For example, if you need two weeks of family and medical leave, but following the two weeks you need intermittent leave, a new medical certification will be requested and required.) If the employee does not provide medical certification in a timely manner to substantiate the need for family and medical leave, the Oro Grande School District may delay approval of the leave, or continuation thereof, until certification is received. If certification is never received, the leave may not be considered family and medical leave.

If the leave is needed to care for a sick child, spouse, or parent, you must provide a certification from the health care provider stating:

- Date of commencement of the serious health condition;
- Probable duration of the condition;
- Estimated amount of time for care by the health care provider; and
- Confirmation that the serious health condition warrants your participation.

When both parents are employed by the Oro Grande School District, and request simultaneous leave for the birth or placement for adoption or foster care of a child, the Oro Grande School District will not grant more than a total of 12 workweeks

family/medical leave for this reason.

If your serious health condition is the reason for leave, you must provide a certification from the health care provider stating:

- Date of commencement of the serious health condition;
- Probable duration of the condition; and
- Your inability to work at all or to perform any one or more of the essential functions of your position because of the serious health condition.

If you are absent because of your own serious health condition, the Oro Grande School District will also require a medical release to return to work form or certification from your health care provider that you are able to resume work.

Failure to provide a release to return to work certificate from your health care provider will result in denial of reinstatement until the certificate is obtained.

Leave Related to Military Service

A leave taken due to a "qualifying exigency" related to military service must be supported by a certification of its necessity. A leave taken due to the need to care for a servicemember must be supported by a certification by the servicemember's health care provider or other certification allowed by law. Special certification requirements apply to leaves related to military service.

Health and Benefit Plans

If you are taking family medical leave, you will be allowed to continue participating in any health and welfare benefit plans in which you were enrolled in before the first day of the leave (for a maximum of 12 workweeks, or 26 workweeks if the leave is to care for a covered servicemember) at the level and under the conditions of coverage as if you had continued in employment for the duration of such leave. The Oro Grande School District will continue to make the same premium contribution as if you had continued working. The continued participation in health benefits begins on the date leave first begins. In some instances, the Oro Grande School District may recover premiums paid to maintain health coverage if you fail to return to work following family/medical leave.

Employees on pregnancy disability leave will be allowed to continue to participate in

group health coverage for up to a maximum of four months of pregnancy disability leave (if such insurance was provided before the leave was taken) on the same terms as if you had continued to work. The right to continued group health coverage during pregnancy disability leave is a separate and distinct entitlement from the CFRA entitlement.

Payment is due when it would be made by payroll deduction.

Substitution of Paid Leave

Generally, FMLA/CFRA leave is unpaid. The Oro Grande School District may require, or you may choose, to use accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, you must comply with the Oro Grande School District's normal paid leave policies. For more information on those specific circumstances requiring or allowing the substitution of paid leave contact Director of Administrative Services.

Reinstatement

Under most circumstances, upon return from family/medical leave, you will be reinstated to your original job or to an equivalent job with equivalent pay, benefits, and other employment terms and conditions. However, an employee has no greater right to reinstatement than if he or she had been continuously employed rather than on leave. For example, if an employee on family/medical leave would have been laid off had he or she not gone on leave, or if the employee's job is eliminated during the leave and no equivalent or comparable job is available, then the employee would not be entitled to reinstatement. In addition, an employee's use of family/medical leave will not result in the loss of any employment benefit that the employee earned before using family/medical leave.

Reinstatement after family/medical leave may be denied to certain salaried "key" employees under the following conditions:

- An employee requesting reinstatement was among the highest-paid 10 percent of salaried employees employed within 75 miles of the worksite at which the employee worked at the time of the leave request;
- The refusal to reinstate is necessary because reinstatement would cause substantial and grievous economic injury to the Oro Grande School District's

operations;

- The employee is notified of the Oro Grande School District's intent to refuse reinstatement at the time the Oro Grande School District determines the refusal is necessary; and
- If leave has already begun, the Oro Grande School District gives the employee a reasonable opportunity to return to work following the notice described previously.

Time Accrual

Please contact Director of Administrative Services with any questions regarding accrual of other Oro Grande School District provided paid leave benefits (such as vacation, PTO or sick leave) during unpaid FMLA/CFRA leave.

Carryover

Leave granted under any of the reasons provided by state and federal law will be counted as family/medical leave and will be considered as part of the 12-workweek entitlement (26-workweek entitlement if leave is to care for a servicemember) in any 12-month period. No carryover of unused leave from one 12-month period to the next 12-month period is permitted.

Intermittent Leave

You may take Family and Medical Leave Act/California Family Rights Act leave intermittently (in blocks of time, or by reducing their normal weekly or daily work schedule) if the leave is for your serious health condition or a qualifying family member and the reduced leave schedule is medically necessary as determined by the health care provider of the person with the serious health condition. The smallest increment of time that can be used for such leave is 30 minutes.

Not Qualified/Denied FMLA

Employees who do not meet the qualifications necessary to be granted FMLA must petition the District in writing for unpaid leave. Unpaid leave may be granted up to 20 days per petition in writing to the District. Effective 7/1/2019.

See also the discussion of Pregnancy, Childbirth or Related Medical Conditions above.

Jury Duty and Witness Leave

Oro Grande School District encourages employees to serve on jury duty when called. Non-exempt employees who have completed their introductory periods will receive full pay while serving up to until duty is complete days of jury duty. Exempt employees will receive full salary unless they are absent for a full week and perform no work. You must call the jury notification system at the earliest possible availability. You should notify your supervisor of the need for time off for jury duty as soon as a notice or summons from the court is received. You must report to work until such time as you are required for jury service each given day. You are required to provide written verification from the court clerk of performance of jury service. If work time remains after any day of jury selection or jury duty, you will be expected to return to work for the remainder of your work schedule.

All employees must call the jury duty reporting system prior to the time of requested service.

Military Leave

Employees who wish to serve in the military and take military leave should contact Assistant Superintendent of Personnel/HR or designee for information about their rights before and after such leave. You are entitled to reinstatement upon completion of military service, provided you return or apply for reinstatement within the time allowed by law.

Military Spouse Leave

Employees who work more than 20 hours per week and have a spouse in the Armed Forces, National Guard or Reserves who have been deployed during a period of military conflict are eligible for up to 10 unpaid days off when their spouse is on leave from (not returning from) military deployment.

Employees must request this leave in writing to Assistant Superintendent of Personnel/HR or designee within two business days of receiving official notice that their spouse will be on leave. Employees requesting this leave are required to attach to the leave request written documentation certifying the spouse will be on leave from deployment.

Civil Air Patrol Leave

No employee with more than 90 days of service shall be disciplined for taking time off to perform emergency duty as a volunteer in the California Civil Air Patrol. If you are a Civil Air Patrol volunteer, please alert your supervisor that you may have to take time off for emergency duty. When taking time off for emergency duty, please alert your supervisor before doing so, giving as much advance notice as possible.

Up to 10 days of leave for duty may be taken each year. However, leave for a single emergency mission cannot exceed three days, unless the emergency is extended by the entity in charge of the operation and the extension of leave is approved by the Oro Grande School District.

Paid Time Off

Employees are entitled to paid time off (PTO) based upon their years of active service. Active service commences with an employee's first day of work and continues thereafter unless broken by an absence without pay, a leave of absence or termination of employment.

Paid time off or personal time off (PTO) is a bank of earned hours in which the employer pools sick days, vacation days, and personal days that allows employees to use as the need arises.

Employees become eligible to take PTO any time after the employee's first day of employment, as work schedules permit .

Employees may use accrued PTO for any reason, including illness, care for family members or other personal matters. Employees will need to schedule time off with their supervisors. Specific provisions relating to paid sick leave under California's Healthy Workplaces, Healthy Families Act, including procedures relating to notification and usage of this paid sick time, are discussed below.

An employee's use of paid time off may run concurrently with other leaves pursuant to local, state or federal laws.

Oro Grande Contracted Employees (Classified and Certificated) earn one workshift day per one month worked. For example if an employee works one month at 3.5 hours per day they earn 1-3.5 hour sick leave day.

Personal Necessity days are sick leave days that are designated for personal use that may not be considered illness related. 3 days per school year are designated for this purpose. They must be approved by the employees supervisor. If days are not used they will roll as sick leave.

All sick leave that is unused each school year is accrued and will travel with the employee should they resign from the school district.

California Paid Sick Leave

Beginning July 1, 2015, California law provides for mandatory paid sick leave under the Healthy Workplaces, Healthy Families Act (the "Act"). All employees who have worked

in California for the same employer for 30 or more days within a year from the start of their employment are eligible for protected paid sick time under the Act. Employees cannot be discriminated or retaliated against for requesting or using paid time off (PTO) for qualifying reasons protected by the Act.

Oro Grande School District's PTO policy meets the requirements of the Act. Our PTO policy provides a minimum of at least: (1) one day or eight hours of accrued paid time within three months of employment, each calendar year, or in each 12-month period; and (2) employees are eligible to earn at least three days or 24 hours of paid time off within nine months of employment.

An employee can use accrued PTO for any of the qualifying reasons protected by the Act, as set forth below. If an employee decides to use PTO as protected paid sick time, the employee should designate the time off accordingly. Otherwise, Oro Grande School District will treat the time off as PTO and not protected paid sick time.

If you have any questions, please contact Director of Administrative Services.

Sick Time Notification

Employees that have a foreseeable need to take paid time off for a qualifying reason under the Act must provide advance oral or written notification to Assistant Superintendent of Personnel/HR. If the need is not foreseeable, employees shall provide notice to Assistant Superintendent of Human Resources as soon as practicable. Vacation/accrued rollover limited to 40 hours maximum.

Qualifying Reasons for Paid Sick Leave

Paid time off under the Act can be used for any of the following reasons:

- Diagnosis, care or treatment of an existing health condition for an employee or covered family member, as defined below.

- A parent: Defined as a biological, foster or adoptive parent; a stepparent; or a legal guardian of an employee or the employee's spouse or registered domestic partner. Certificated: Are exempt from vacation time accrual.

12 Month Classified/Classified Management: Employees may roll up to 40 hours (5 days) of accrued vacation time annually. Any time remaining that is unused beyond 40 hours (5 days) will be compensated as vacation liability to be paid after July 1 of the following fiscal year. Early termination status employees receive compensation based on earned vacation time and are paid on the earliest pay period.

The Oro Grande School District reserves the right to designate specific dates for vacation time usage. Part time classified employees will be given 10 vacation days per year prorated for the year predetermined by the district. Classified employees must work 6 months before vested in any vacation time per Education Code 45197.

Non Contract Time

Employees hired prior to July 1, 2017: 12 month Classified employees, Certificated management employees and Classified management employees receive Non Contract Time based on individual work calendars approved by their supervisor. The Oro Grande School District reserves the right to mandate specific dates for Non Contract Time. If the employee does not use Non Contract Time, that time will be forfeited at the end of each school year. It cannot be accrued annually.

Extraordinary Leave

A extraordinary leave of absence without pay may be granted at the discretion of Oro Grande School District. Requests for extraordinary leave should be limited to unusual circumstances requiring an absence of longer than two weeks. Approved extraordinary absences of shorter duration are not normally treated as leaves, but rather as excused absences without pay.

Concurrent extraordinary and Family/Medical Leave

Any leave taken under this provision that qualifies as leave under the state and/or federal Family and Medical Leave Acts will be counted as family/medical leave and charged to your entitlement of 12 workweeks of family/medical leave in a 12-month period.

School Appearances Involving Suspension

If an employee who is the parent or guardian of a child facing suspension from school is summoned to the school to discuss the matter, the employee should alert his or her supervisor as soon as possible before leaving work. In agreement with California Labor Code Section 230.7(B), no discriminatory action will be taken against an employee who takes time off for this purpose.

Substitute Employee Sick Leave (AB1522)

California law provides for mandatory paid sick leave under the Healthy Workplaces, Healthy Families Act (the "Act"). This paid sick leave policy is intended to comply with the requirements of the Act.

Employees cannot be discriminated or retaliated against for requesting or using accrued paid sick time.

If you have any questions about paid sick leave, please contact the Assistant Superintendent of Personnel/HR or designee.

Eligible Employees

Beginning July 1, 2015, all employees who have worked in California for the same employer for 30 or more days within a year from the start of their employment will be entitled to paid sick time.

However, employees are not eligible to take paid sick time until they have worked for the Company for 90 days from their date of hire.

Eligible employees will receive sick leave as follows:

Oro Grande School District will provide eligible employees with three days or 24 hours of paid sick time on their first day of employment with Oro Grande School District. You will need to meet the 90 day employment requirement before taking any leave.

Unused paid sick time will not carry over from year to year. However, Oro Grande School District will place three days or 24 hours of paid sick time into your leave bank each year on your anniversary date. Employees will be able to access all three days or 24 hours of paid sick time at the beginning of each 12-month period.

The Oro Grande School District does not pay employees for unused paid sick leave. Employees who are rehired with one year of separation from employment may be eligible for reinstatement of previously accrued and unused paid sick time.

Qualifying Reasons for Paid Sick Leave

Paid sick time can be used for the following reasons:

- Diagnosis, care or treatment of an existing health condition for an employee or covered family member, as defined below.
- Preventive care for an employee or an employee's covered family member.
- For certain, specified purposes when the employee is a victim of domestic violence, sexual assault or stalking.

For purposes of paid sick leave, a covered family member includes:

- A "parent" defined as a biological, foster or adoptive parent; a stepparent; or a legal guardian of an employee or the employee's spouse or registered domestic partner. A parent may also be someone who accepted the duties and responsibilities of raising you when you were a minor child, even if he or she is not your legal parent.
- A spouse.
- A registered domestic partner.
- A grandparent.
- A grandchild.
- A sibling.

Use of Paid Sick Leave

If the need for paid sick leave is foreseeable, employees shall provide advance oral or written notification to the Supervisor, Director of Administrative Services, Payroll Technician. If the need for paid sick leave is not foreseeable, employees shall provide notice to the Supervisor, Director of Administrative Services, Payroll Technician as soon as practicable.

An employee's use of paid sick time may run concurrently with other leaves under local, state or federal law.

Paid sick leave can be used in 1 hour hour increments.

Time Off for Voting

If an employee does not have sufficient time outside of working hours to vote in an official state-sanctioned election, the employee may take off enough working time to vote. Such time off shall be taken at the beginning or the end of the regular working shift, whichever allows for more free time, and the time taken off shall be combined with the voting time available outside of working hours to a maximum of two hours combined. Under these circumstances, an employee will be allowed a maximum of two hours of time off during an election day without loss of pay. When possible, an employee requesting time off to vote shall give his or her supervisor at least two days notice.

Victims of Crime Leave

An employee who is themselves a victim or who is the family member of a victim of certain serious crimes may take time off from work to attend judicial proceedings related to the crime or to attend proceedings involving rights of the victim.

A family member of a crime victim may be eligible to take this leave if he/she is the crime victim's spouse, parent, child or sibling. Other family members may also be covered depending on the purpose of the leave.

The absence from work must be in order to attend judicial proceedings or proceedings involving rights of the victim. Only certain crimes are covered. You must provide reasonable advance notice of your need for leave, and documentation related to the proceeding may be required. If advance notice is not possible, you must provide appropriate documentation within a reasonable time after the absence. (5 business days)

Any absence from work to attend judicial proceedings or proceedings involving victim rights will be unpaid, unless you choose to take paid time off.

For more information regarding this leave (including whether you are covered, when and what type of documentation is required, and which type of paid time off can be used), please contact a Oro Grande School District representative with day-to-day personnel responsibilities.

Volunteer Civil Service Personnel

No employee shall be disciplined for taking time off to perform emergency duty as a volunteer firefighter, peace officer, or emergency rescue personnel. Employees who perform emergency duty as a volunteer firefighter, reserve peace officer, or emergency rescue personnel may also take up to a total of fourteen days unpaid leave time per calendar year to engage in required fire, law enforcement or emergency rescue training. Please alert your supervisor that you may have to take time off for emergency duty or emergency duty training. When taking time off for emergency duty, please alert your supervisor before doing so when possible.

If you are an official volunteer firefighter, reserve peace officer or emergency rescue personnel, please alert your supervisor if you have training. Volunteer firefighters, reserve peace officers and emergency rescue personnel may take up to a total of fourteen days per calendar year to engage in fire, law enforcement or emergency rescue training.

Extended Medical Leave

A medical leave of absence may be granted for non-work-related medical disabilities (other than pregnancy, childbirth, and related medical conditions) with a doctor's written certificate of disability. Extended disability leaves will also be considered on a case-by-case basis, consistent with the Oro Grande School District's obligations under federal and state disability laws.

Employees should request any leave in writing as far in advance as possible. If you are granted a medical leave, Oro Grande School District will pay you sick pay for the period of time equivalent to your accumulated sick pay earned. You also may use any paid vacation time previously accrued.

A medical leave begins on the first day your doctor certifies that you are unable to work, and ends when your doctor certifies that you are able to return to work. Human Resources will supply you with a form for your doctor to complete, showing the date you were disabled and the estimated date you will be able to return to work. An employee returning from a medical disability leave must present a doctor's certificate declaring fitness to return to work.

If returning from a non-work-related medical leave, you will be offered the same position you held at the time your leave began, if available. If your former position is not available, a comparable position will be offered. If neither the same nor a comparable position is available, your return to work will depend on job openings existing at the time of your scheduled return. Oro Grande School District makes no guarantees of reinstatement, and your return will depend on your qualifications for existing openings.

California workers' compensation laws govern work-related injuries and illnesses. California pregnancy disability laws govern leaves taken because of pregnancy, childbirth, and related medical conditions. An employee that needs reasonable accommodations should contact a Oro Grande School District representative with day-to-day personnel responsibilities and discuss the need for an accommodation.

Any leave taken under this provision qualifying as leave under the state and/or federal family and medical leave laws (FMLA/CFRA) will be counted as family/medical leave, charged to your entitlement of 12 workweeks of family/medical leave in a 12-month period, and governed by the rules relating to family/medical leave.

Pregnancy Disability Leave Five or More Employees

If you are pregnant, have a related medical condition, or are recovering from childbirth, please review this policy. Any employee planning to take pregnancy disability leave should advise the personnel department as early as possible. The individual should make an appointment with the Director of Administrative Services to discuss the following conditions:

- Duration of pregnancy disability leave will be determined by the advice of the employee's physician, but employees disabled by pregnancy may take up to four months of leave per pregnancy (the working days you normally would work in one-third of a year or 17 1/3 weeks). Part-time employees are entitled to leave on a pro rata basis. The four months of leave includes any period of time for actual disability caused by the employee's pregnancy, childbirth, or related medical condition. This includes leave for severe morning sickness and for prenatal care, doctor-ordered bed rest, as well as other reasons. Your healthcare provider determines how much time you need for your disability.
- Oro Grande School District will also reasonably accommodate medical needs related to pregnancy, childbirth, or related conditions or temporarily transfer you to a less strenuous or hazardous position (where one is available) or duties if medically needed because of your pregnancy.
- Employees who need to take pregnancy disability must inform Oro Grande School District when a leave is expected to begin and how long it will likely last. If the need for a leave, reasonable accommodation, or transfer is foreseeable (such as the expected birth of a child or a planned medical treatment for yourself), employees must provide at least 30 days advance notice before the pregnancy disability leave or transfer is to begin. Employees must consult with the Director of Administrative Services regarding the scheduling of any planned medical treatment or supervision in order to minimize disruption to the operations of the Oro Grande School District. Any such scheduling is subject to the approval of the employee's health care provider;
- For emergencies or events that are unforeseeable, you must notify the Oro Grande School District, at least verbally, as soon as practical after you learn of the need for the leave.
- Failure to comply with these notice requirements may result in delay of leave, reasonable accommodation, or transfer;
- Pregnancy leave usually begins when ordered by the employee's physician. The employee must provide Oro Grande School District with a written certification from

a health care provider for need of PDL, reasonable accommodation or transfer. The certification must be returned no later than 15 calendar days after it is requested by the Oro Grande School District. Failure to do so may, in some circumstances, delay PDL leave, reasonable accommodation or transfer. Please see the personnel department for a medical certification form to give to your health provider.

- Leave returns will be allowed only when the employee's physician sends a release;
- An employee will be required to use accrued sick time (if otherwise eligible to take the time) during a pregnancy disability leave. An employee will be allowed to use accrued vacation or personal time (if otherwise eligible to take the time) during a pregnancy disability leave; and
- Leave does not need to be taken in one continuous period of time and may be taken intermittently, as needed. Leave may be taken in a minimum of 1 hour increments.

If intermittent leave or leave on a reduced work schedule is medically advisable the employee may, in some instances, be required to transfer temporarily to an available alternative position that meets the employee's needs. The alternative position need not consist of equivalent duties, but must have the equivalent rate of pay and benefits. The employee must be qualified for the position. The position must better accommodate the employee's leave requirements than her regular job. Transfer to an alternative position can include altering an existing job to better accommodate the employee's need for intermittent leave or a reduced work schedule.

Upon submission of a medical certification that an employee is able to return to work from a pregnancy disability leave, an employee will be reinstated to her same position held at the time the leave began or, in certain instances, to a comparable position, if available. There are limited exceptions to this policy. An employee returning from a pregnancy disability leave has no greater right to reinstatement than if the employee had been continuously employed.

Employees on pregnancy disability leave will be allowed to continue to participate in group health insurance coverage for up to a maximum of four months of disability leave (if such insurance was provided before the leave was taken) at the level and under the conditions that coverage would have been provided if the employee had continued in employment continuously for the duration of the leave. In some instances, an employer can recover from an employee premiums paid to maintain health coverage if the employee fails to return following pregnancy disability leave. PDL may impact other benefits or a seniority date. Please contact the Director of Administrative Services for more information.

School and Child Care Activities Leave

Employees are encouraged to participate in the school or child care activities of their child(ren).

The absence is subject to all of the following conditions:

- Time off under this policy can only be used by parents, guardians, grandparents, stepparents, foster parents or a person who stands in loco parentis to one or more children of the age to attend kindergarten through grade 12 or a licensed child care provider;

- If an employee who is the parent or guardian of a child facing suspension from school is summoned to the school to discuss the matter, the employee should alert his or her supervisor as soon as possible before leaving work. In agreement with California Labor Code Section 230.7, no discriminatory action will be taken against an employee who takes time off for this purpose.

- You may take up to 30 business days of paid leave, and up to an additional 30 business days of unpaid leave in any one-year period for the purpose of donating an organ to another person. The one-year period is calculated from the date the employee begins their leave.
- You may take up to 5 business days of leave in any one-year period for the purpose of donating bone marrow to another person. The one-year period is calculated from the date the employee's leave begins.
- During the leave for organ/bone marrow donors, Oro Grande School District will continue to provide and pay for any group health plan benefits the employee was enrolled in prior to the leave of absence.

Subject to annual revision.

External Employee Education

Some employees may need to attend training programs, seminars, conferences, lectures, meetings, or other outside activities for the benefit of Oro Grande School District or the individual employees. Attendance at such activities, whether required by the Oro Grande School District or requested by individual employees, requires the written approval of the Site Administrator. To obtain approval, any employee wishing to attend an activity must submit a written request detailing all relevant information, including date, hours, location, cost, expenses, and the nature, purpose, and justification for attendance.

Attendance at any such event is subject to the following policies on reimbursement and compensation as well as all professional behavioral expectations for Oro Grande District employees. For attendance at events required or authorized by the Oro Grande School District, customary and reasonable expenses will be reimbursed upon submission of proper receipts. Acceptable expenses generally include registration fees, materials, meals, transportation, and parking. Reimbursement policies regarding these expenses should be discussed with the Site Administrator in advance.

Employee attendance at authorized outside activities will be considered hours worked for non-exempt employees and will be compensated in accordance with normal payroll practices.

This policy does not apply to an employee's voluntary attendance, outside of normal working hours, at formal or informal educational sessions, even if such sessions generally may lead to improved job performance. While Oro Grande School District generally encourages all employees to improve their knowledge, job skills, and promotional qualifications, such activities do not qualify for reimbursement or compensation under this policy unless prior written approval is obtained as described previously.

For the calendar year, Oro Grande School District observes the following paid holidays:

- January 1 (New Year's Day)
- Martin Luther King Jr.'s Birthday
- Washington's Birthday
- Lincoln's Birthday
- Memorial Day
- July 4th (Independence Day)

When a holiday falls on a Saturday or Sunday, it is usually observed on the preceding Friday or the following Monday. However, Oro Grande School District may grant another day off in lieu of closing. Holiday observance will be announced in advance.

Refer to Board Policy 4494 as well as Oro Grande District website for updated calendar information.

Paid Family Leave

Employees may be eligible for Paid Family Leave (PFL) wage replacement benefits, which are funded through payroll deductions and coordinated through the Employment Development Department. PFL provides partial pay for up to six weeks when an employee needs to take leave from work to care for a parent, parent-in-law, child, spouse, registered domestic partner, grandparent, grandchild, or sibling who is seriously ill, or for a working parent who wants time to bond with his or her newborn, foster child or newly adopted child. The PFL program does not provide employees with a right to a leave of absence; it is limited to a state-mandated wage replacement benefit.

Workers' Compensation

Oro Grande School District, in accordance with state law, provides insurance coverage for employees in case of work-related injury. The workers' compensation benefits provided to injured employees may include:

- Medical care;
- Cash benefits, tax free, to replace lost wages; and
- Assistance to help qualified injured employees return to suitable employment.

To ensure that you receive any workers' compensation benefits to which you may be entitled, you will need to:

- Immediately report any work-related injury to your supervisor;
- Seek medical treatment and follow-up care if required;
- Complete a written Employee's Claim for Workers' Compensation Benefits (DWC Form 1) and return it to Assistant Superintendent of Personnel/HR, Director of Administrative Services; and
- Provide the School District with a certification from your health care provider regarding the need for workers' compensation disability leave, as well as your eventual ability to return to work from the leave.

Upon submission of a medical certification that an employee is able to return to work after a workers' compensation leave, the employee under most circumstances will be reinstated to his or her same position held at the time the leave began, or to an equivalent position, if available. An employee returning from a workers' compensation leave has no greater right to reinstatement than if the employee had been continuously employed rather than on leave. For example, if the employee on workers' compensation leave would have been laid off had he or she not gone on leave, or if the employee's position has been eliminated or filled in order to avoid undermining the School District's ability to operate safely and efficiently during the leave, and no equivalent or comparable positions are available, then the employee would not be entitled to reinstatement.

An employee's return depends on his or her qualifications for any existing openings. If, after returning from a workers' compensation disability leave, an employee is unable to perform the essential functions of his or her job because of a physical or mental disability, the School District's obligations to the employee may include reasonable accommodation, as governed by the Americans with Disabilities Act.

The law requires Oro Grande School District to notify the workers' compensation insurance School District of any concerns of false or fraudulent claims.

School District-Provided Physician

Oro Grande School District provides medical treatment for work-related injuries through a medical provider network, Dr. Mushabek which the School District has chosen to provide medical care to injured employees because of their experience in treating work-related injuries.

Workers' Compensation and FMLA/CFRA

Employees who are ill or injured as a result of a work-related incident, and who are eligible for family and medical leave under state and federal law (Family Medical Leave Act (FMLA) and the California Family Rights Act (CFRA), will be placed on FMLA/CFRA during the time they are disabled and not released to return to work. The leave under these laws runs concurrently, and eligible employees will be on FMLA/CFRA for a maximum of 12 weeks in a 12-month period Fiscal Year.

Lactation Accommodation

Oro Grande School District recognizes lactating employees' rights to request lactation accommodation, and accommodates lactating employees by providing a reasonable amount of break time and a suitable lactation location to any employee who desires to express breast milk for their infant child, subject to any exemption allowed under applicable law.

If possible, the break time should run concurrently with your normally scheduled break time. Any break time to express breast milk that does not run concurrently with your normally scheduled break time is unpaid.

The lactation location will be private (shielded from view and free from intrusion from co-workers and the public) and located close to your work area. The location will be safe, clean and free of toxic or hazardous materials; have a surface to place a breast pump and other personal items; have a place to sit; and have access to electricity or alternative devices (including, but not limited to extension cords or charging stations) needed to operate an electric or battery-powered breast pump. Oro Grande School District will also provide access to a sink with running water and a refrigerator suitable for storing milk in close proximity to your workspace. If a refrigerator cannot be provided, Oro Grande School District will provide another cooling device suitable for storing milk, such as an employer-provided cooler. The lactation location will not be a bathroom or restroom. The room or location may include an employee's private office if it otherwise meets the requirements of the lactation space. Multi-purpose rooms may be used as lactation space if they satisfy the requirements for space; however, use of the room for lactation takes priority over other uses for the time it is in use for lactation purposes.

Employees who desire lactation accommodations should contact Human Resources to request accommodations. An employee's request may be provided orally, by email, or in writing, and need not be submitted on a specific form. We will engage in an interactive process with you to determine when and where lactation breaks will occur. If we cannot provide break time or a location that complies with this policy, we will provide a written response to your request.

Oro Grande School District will not tolerate discrimination or retaliation against employees who exercise their rights to lactation accommodation, including those who request time to express milk at work and/or who lodge a complaint related to the right to lactation accommodation. If you believe you have been denied reasonable break time

or adequate space to express milk, or have been otherwise been denied your rights related to lactation accommodation, you have the right to file a complaint with the District Personnel Office.

Favorable performance evaluations do not guarantee increases in salary or promotions. Salary increases and promotions are solely within the discretion of Oro Grande School District and established, School Board approved salary schedules for specific areas of employment. After the review, you will be required to sign the evaluation report simply to acknowledge that it has been presented to you, that you have discussed it with your supervisor, and that you are aware of its contents.

Personal items left in the workplace are subject to disposal if not claimed at the time of an employee's termination.

Emergencies in which children must be in the office for an extended length of time are to be kept to an absolute minimum. The Oro Grande School District may not be used as a substitute for regular child care of employees' children. On those occasions when children are present, they should not be allowed to disrupt others in the office.

Your child is your responsibility and must be under your direct supervision at all times. If a child is ill, you must present a doctor's note to your immediate supervisor indicating the child is not contagious. Under no circumstances may children provide work for the Oro Grande School District, unless the child is hired as an employee pursuant to Oro Grande School District policies.

Employee Conduct

Dress Codes and Other Personal Standards

Employees are expected to wear clothing appropriate for the nature of our business and the type of work performed. Clothing should be neat, clean and tasteful. Avoid clothing that can create a safety hazard. Site managers may issue more specific guidelines.

Because each employee is a representative of Oro Grande School District in the eyes of the public, each employee must report to work properly groomed and wearing appropriate clothing. Employees are expected to dress neatly and in a manner consistent with the nature of the work performed.

The following are examples of acceptable office attire:

- Suits
- Dress shirts
- Blouses
- Sweaters
- Sport coats
- Blazers
- Ties
- Slacks
- Skirts
- Business dresses
- Polo/Collared shirts
- School logo Polos/Blouses

All employees required to wear uniforms provided by Oro Grande School District must take care of their uniforms and report any wear or damage to their supervisors. Instructions regarding cleaning and maintenance of uniforms will be provided. Supervisors will inform you of additional requirements regarding acceptable attire. Certain employees may be required to wear safety equipment or clothing. Any deviations from these guidelines must be approved by your supervisor.

Oro Grande School District observes a casual dress day on Friday Spirit Days, College

Employees required to wear safety equipment or clothing still must do so on a casual dress day. Department managers may issue more specific guidelines concerning any exceptions to this policy.

For more information, see the Harassment, Discrimination and Retaliation Prevention policy. Employees who need a reasonable accommodation because of religious beliefs, observances or practices should contact a company representative with day-to-day personnel responsibility and discuss the need for accommodation.

Conducting Personal Business

Employees are to conduct only Oro Grande School District business while at work. Employees may not conduct personal business or business for another employer during their scheduled working hours.

Confidential Information

Each employee is responsible for safeguarding the confidential information obtained during employment.

In the course of your work, you may have access to trade secrets or similarly protected proprietary or confidential information regarding Oro Grande School District's business (such as financial data, research and development, marketing, business plans or strategies, suppliers, business partners or customers). You have a responsibility to prevent revealing or divulging any such information unless it is necessary for you to do so in the performance of your duties or as required by law with the express written consent of the superintendent or designee.

Access to, or disclosure of, confidential information should be on a "need-to-know" basis and must be authorized by your supervisor. Any breach of this policy will not be tolerated and legal action may be taken by the Oro Grande School District.

This policy does not prohibit employees from confidentially disclosing trade secret, proprietary or confidential information to federal, state and local government officials, or to an attorney, when done to report or investigate a suspected violation of the law. Employees may also disclose the information in certain court proceedings if specific procedures to protect the information are followed. Nothing in this policy is intended to conflict with 18 U.S.C. sec. 1833(b) or create liability for disclosures of trade secrets that are expressly allowed by 18 U.S.C. sec. 1833(b).

Conflicts of Interest

All employees must avoid situations involving actual conflict of interest. Personal or romantic involvement with a competitor, supplier, or subordinate employee of Oro Grande school District, which impairs an employee's ability to exercise good judgment on behalf of the Oro Grande School District, can create an actual conflict of interest. Supervisor-subordinate romantic or personal relationships also can lead to supervisory problems, possible claims of sexual harassment, and morale problems.

An employee involved in any of the types of relationships or situations described in this policy should immediately and fully disclose the relevant circumstances to his or her immediate supervisor, or any other appropriate supervisor, for a determination about whether an actual conflict exists. If an actual conflict is determined, Oro Grande school District may take whatever corrective action appears appropriate according to the circumstances. Failure to disclose facts shall constitute grounds for disciplinary action.

Refer to California Department of Justice Conflict of Interest Guide.

The Political Reform Act¹ (the Act) imposes limits on gifts, prohibits honoraria payments, and imposes limits and other restrictions on the receipt of travel payments received by: - Local elected officers and other local officials specified in Government Code Section 87200,2 excluding judges; - Designated employees of local government agencies (i.e., individuals required to file statements of economic interests under a local agency's conflict of interest code); and - Candidates for any of these offices or positions and judicial candidates. (Sections 89502 and 89503.) The Act also imposes limits and other restrictions on personal loans received by certain local officials. This summarizes the major provisions of the Act concerning gifts, honoraria, travel, and loans. It contains highlights of the law, but does not carry the weight of law. For more information, contact the Fair Political Practices Commission at (866) 275-3772 or advice@fppc.ca.gov or visit our website at www.fppc.ca.gov. Commission advice letters are available on our website. Public officials may also be subject to local restrictions on gifts, honoraria, or travel.

Enforcement Failure to comply with the laws related to gifts, honoraria, loans, and travel payments may, depending on the violation, result in criminal prosecution and substantial fines, or in administrative or civil monetary penalties for as much as \$5,000 per violation or three times the amount illegally obtained. (See Sections 83116, 89520, 89521, 91000, 91004 and 91005.5.)

Customer/Client Relations

Employees are expected to be polite, courteous, prompt, and attentive to every customer/client. When an employee encounters an uncomfortable situation that he or she does not feel capable of handling, the supervisor or site administrator should be called immediately.

Ours is a service business and all of us must remember that the customer always comes first. Students, parents and families are our main priority and as such must be given the time and professional courtesy required.

Customer/clients are to be treated courteously and given proper attention at all times. Never regard a customer/client's question or concern as an interruption or an annoyance. You must respond to inquiries from customer/client, whether in person or by telephone, promptly and professionally.

Never place a telephone caller on hold for an extended period. Direct incoming calls to the appropriate person and make sure the call is received.

Through your conduct, show your desire to assist the customer/client in obtaining the help he or she needs. If you are unable to help a customer/client, find someone who can.

All correspondence and documents, whether to customer/client or others, must be neatly prepared and error-free. Attention to accuracy and detail in all paperwork demonstrates your commitment to those with whom we do business.

Never argue with a customer/client. If a problem develops or if a customer/client remains dissatisfied, ask your supervisor or the site administrator to intervene.

Drug and Alcohol Abuse

Oro Grande School District is concerned about the use of alcohol, marijuana, illegal drugs or controlled substances as it affects the workplace. Use of these substances, whether on or off the job can detract from an employee's work performance, efficiency, safety, and health, and seriously impair school district operations. In addition, the use or possession of these substances on the job constitutes a potential danger to the welfare and safety of other employees and exposes the school district to the risks of property loss or damage, or injury to other persons.

The following rules and standards of conduct apply to all employees while on school district property, at work, or working on school district business. The following are strictly prohibited by school district policy:

- Being under the influence of, or impaired by, an illegal or controlled substance, alcohol or marijuana while on the job.
- Using or possessing illegal or controlled substances, alcohol or marijuana while on the job (including the illegal use of prescription drugs and possessing drug paraphernalia)
- Distributing, selling, or purchasing of an illegal or controlled substance, alcohol or marijuana while on the job.

Violation of these rules and standards of conduct will not be tolerated. Oro Grande School District also may bring the matter to the attention of appropriate law enforcement authorities.

In order to enforce this policy, Oro Grande School District reserves the right to conduct searches of school district property or employees and/or their personal property, and to implement other measures necessary to deter and detect abuse of this policy.

An employee's conviction on a charge of illegal sale or possession of any controlled substance while off school district property will not be tolerated because such conduct, even though off duty, reflects adversely on Oro Grande School District. In addition, the school district must keep people who sell or possess controlled substances off school district premises in order to keep the controlled substances themselves off the premises.

Oro Grande School District will encourage and reasonably accommodate employees with alcohol, marijuana or drug dependencies to seek treatment and/or rehabilitation. Employees desiring such assistance should request a treatment or rehabilitation leave.

The school district is not obligated, however, to continue to employ any person whose performance of essential job duties is impaired because of drug, alcohol or marijuana use. Additionally, employees who are given the opportunity to seek treatment and/or rehabilitation, but fail to successfully overcome their dependency or problem, will not automatically be reemployed or be given a second opportunity to seek treatment and/or rehabilitation. This policy on treatment and rehabilitation is not intended to affect the school district's treatment of employees who violate the regulations described previously. Rather, rehabilitation is an option for an employee who acknowledges a chemical dependency and voluntarily seeks treatment to end that dependency.

Off-Duty Conduct

While Oro Grande School District does not seek to interfere with the off-duty and personal conduct of its employees, certain types of off-duty conduct may interfere with the Oro Grande School District's legitimate business interests.

Off-duty conduct by an employee that directly conflicts with the Oro Grande School District's essential business interests and disrupts business operations will not be tolerated.

News Media Contacts

Employees may be approached for interviews or comments by the news media. Only employees designated by the Superintendent may comment to news reporters on Oro Grande School District policy or events relevant to Oro Grande School District.

This policy does not limit an employee's right to discuss the terms and conditions of his or her employment, or to try and improve these conditions.

Other Employment

While employed by Oro Grande School District, employees are expected to devote their energies to their jobs with the Oro Grande School District.

Employment that directly conflicts with the Oro Grande School District's essential business interests and disrupts business operations is strictly prohibited.

Employees who wish to engage in additional employment that may create a real conflict of interest must submit a written request to Oro Grande School District explaining the details of the additional employment. If the additional employment is authorized, Oro Grande School District assumes no responsibility for it. Oro Grande School District shall not provide workers' compensation coverage or any other benefit for injuries occurring from or arising out of additional employment. Authorization to engage in additional employment can be revoked at any time.

Political Activity

Many employees participate in political activities on their own time. Oro Grande School District time, facilities, property or equipment (including all computers, networks, and electronic equipment) must not be used for an employee's outside political activities. Oro Grande School District will not reimburse any employee for political contributions, and employees should not attempt to receive or facilitate such reimbursements.

Absent a formal statement by Oro Grande School District announcing any political endorsements, employees must not, through their own actions, speech, contributions, or written communication, mislead others to believe that Oro Grande School District officially endorses or opposes any candidates for political office that Oro Grande School District itself has not publicly announced. Oro Grande School District employees are entitled to their own personal position.

The Oro Grande School District will not discriminate against employees based on their lawful political activity engaged in outside of work.

The following conduct is prohibited and will not be tolerated by Oro Grande School District. This statement of prohibited conduct does not alter the Oro Grande School District policy of at-will employment. Either you or Oro Grande School District remain free to terminate the employment relationship at any time, with or without reason or advance notice.

Punctuality and Attendance

As an employee of Oro Grande School District, you are expected to be punctual and regular in attendance. Any tardiness or absence causes problems for your fellow employees and your supervisor. When you are absent, your assigned work must be performed by others.

Employees are expected to report to work as scheduled, on time, and prepared to start work. Employees also are expected to remain at work for their entire work schedule, except for meal periods or when required to leave on authorized Oro Grande School District business. Late arrivals, early departures or other unanticipated and unapproved absences from scheduled hours are disruptive and must be avoided.

If you are unable to report for work on any particular day, you must provide reasonable advance notice (2.5 hrs) to your supervisor before the time you are scheduled to begin working for that day. You must inform your supervisor of the expected duration of any absence. If you fail to provide reasonable advance notice before your scheduled time to begin work and do not arrive in time for your assigned shift, you will be considered tardy for that day. If the circumstances for your tardiness or absence were unforeseen, inform your supervisor as soon as practicable of the reason for the tardiness or absenteeism.

Any employee that misses 3 or more days of work due to illness must submit a return to work notice from their physician to their site administrator before they will be approved to return to regularly assigned duties.

Excessive absenteeism or tardiness, providing false information or abuse of leave laws will not be tolerated. Generally, if you fail to report for work without any notification to your supervisor and your absence continues for a period of 5 days, Oro Grande School District will consider that you have voluntarily abandoned or quit your employment.

Absences protected by local, state and federal law do not count as a violation of the punctuality and attendance policy. Paid sick time protected under California law does not count as a violation of this policy.

Prohibited Use of Company Cell Phone While Driving

In the interest of the safety of our employees and other drivers, Oro Grande School District employees are prohibited from using cell phones (including all smart phones) or other wireless communication devices (including laptops) while driving on school district business and/or school district time. This prohibition includes any use of the cell phone or other wireless communications device, such as answering or placing calls, engaging in conversations, texting, Web browsing or using any smart phone application while driving.

If your job requires that you keep your cell phone or other wireless communication device turned on while you are driving, you must use a hands-free, voice-operated device at all times. Under no circumstances should employees place phone calls while operating a motor vehicle while driving on school district business and/or school district time. Violating this policy is a violation of law and a violation of school district rules.

Employees Under Age 18

A person under the age of 18 years is prohibited from driving a motor vehicle while using a wireless telephone, even if equipped with a hands-free device, or while using a mobile service device. The prohibition would not apply to such a person using a wireless telephone or a mobile service device for emergency purposes. Violating this policy is a violation of law and a violation of school district rules.

Violating this policy is a violation of law and a violation of school district rules.

Deductions for Exempt Employees

Employees paid on a "salary basis" regularly receive a predetermined amount of compensation each pay period. Subject to the exceptions listed below, exempt employees will receive full salary for any workweek in which they perform any work, regardless of the number of days or hours worked. Exempt employees may not be paid for any workweek in which they perform no work, subject to Oro Grande School District benefits programs and policies.

No deductions from salary may be made for time when work is not available, provided the exempt employee is ready, willing, and able to work. Deductions from pay are permissible when an exempt employee:

- Is absent from work for one or more full days for personal reasons other than sickness or disability;
- Is absent for one or more full days due to sickness or disability if the deduction is made in accordance with a bona fide plan, policy, or practice of providing full compensation for salary lost due to illness and the employee has exhausted his or her leave under this policy;
- Is absent for jury duty or military duty for a full week and performs no work during the week; or
- Works less than a full week during the initial or final week of employment;
- For natural disasters refer to page 113.

Partial day deductions from available accrued vacation or sick leave balances will also be made by the Oro Grande School District when applicable.

It is Oro Grande School District policy to comply with these salary basis requirements. Therefore, Oro Grande School District prohibits all Oro Grande School District managers from making any improper deductions from the salaries of exempt employees. The Oro Grande School District wants employees to be aware of this policy and know that the Oro Grande School District does not allow deductions that violate federal or state law.

If you believe that an improper deduction from your salary has been made, you should immediately report this information to your direct supervisor, or to Assistant Superintendent of Personnel-HR, Executive Director of Personnel, Assistant Superintendent of Business Services.

Reports of improper deductions will be investigated promptly. If it is determined that an

improper deduction has occurred, you will be promptly reimbursed for any improper deduction made.

All overtime work must be previously authorized by a supervisor. An overtime timecard must be verified for accuracy and signed by supervisor and employee prior to submission to the payroll department. Employee will be compensated one month in arrears of accrued overtime. Oro Grande School District provides compensation for all overtime hours worked by non-exempt employees (refer to Fair Labor Standards Act) in accordance with state and federal law as follows:

Travel Time for Exempt Employees

TRAVEL TIME

Travel time is considered compensable work hours where the employer requires its employees to meet at a designated place, use the employer's transportation to and from the work site and prohibits employees from using their own transportation. (Morillion v. Royal Packing Co. (2000) 22 Compulsory travel time longer than the employee's normal commute is considered compensable time.

Travel time to a job site within reasonable proximity of the employee's regular work site is not compensable. If an employee has no regular job site, travel time to the new job site each day is not compensable. If an employee has a temporary work location change, the employee must be compensated for any additional time required to travel to the new job site in excess of the employee's normal commute time.

The definition of hours worked is found in the Industrial Welfare Commission Orders and means the time during which the employee is subject to the control of an employer, and includes all the time the employee is suffered or permitted to work, whether or not required to do so. State law does not distinguish between hours worked during the "normal" working hours or hours worked outside "normal" working hours, nor does it distinguish between hours worked in connection with an overnight out-of-town assignment.

Under state law, if an employer requires an employee to attend an out-of-town business meeting, training session, or any other event, the employer cannot disclaim an obligation to pay for the employee's time in getting to and from the location of that event. Time spent driving, or as a passenger on an airplane, train, bus, taxi cab or car, or other mode of transportation, in traveling to and from this out-of-town event, and time spent waiting to purchase a ticket, check baggage, or get on board is, under such circumstances, time spent carrying out the employer's directives, and thus, can only be characterized as time in which the employee is subject to the employer's control.

On the other hand, time spent taking a break from travel in order to eat a meal, sleep or engage in purely personal pursuits not connected with traveling or making necessary travel connections (such as, for example, spending an extra day in a city before the start or following the conclusion of a conference to sightsee), is not compensable.

The rate at which the travel must be paid depends upon the nature of the

compensation agreement. If the employee has agreed to pay a fixed hourly rate of pay for any work performed, then travel time must be paid at that regular hourly rate, or if applicable, the required overtime rate. An employer may establish a separate rate of pay for travel before the work is performed for hourly employees, provided the rate does not fall below the statutory minimum wage.

Salary non-exempt employees must be paid at the appropriate overtime rate for any hours worked in excess of 8 in a day or 40 in a week, computed by converting the weekly salary to an hourly rate. (Labor Code Section 515) All necessary expenses incurred in connection with employer-required travel must be reimbursed to the employee. (Labor Code Section 2802) Wages (rev. 1/2011) 3
